

OPBRA SPONSORSHIP

OPBRA is a not-for-profit association established in late-2016 to promote safe and responsible boat racing and to aid in the development of all boat racing in Canada. With sponsorship, supporting companies and individuals gain exposure to like-minded consumers and communities as OPBRA continues its growth as the most spectator-driven class of boat racing. Available sponsorships run per calendar year, unless arranged otherwise. "Sponsorship-in-kind" combinations will be considered if directly impacting OPBRA events and/or costs.
